Dear Friends of the Cape Coral Library,

Conditions have not changed since the July update and the future is still very uncertain. We held a special (virtual) meeting recently and agreed to cancel all scheduled activities through the end of the year: General meetings, Nov. Book Sale, Accents newsletter.

There is a possibility that we may be able to hold a contactless Book Sale in December 2020. STAY TUNED for date(s) and details!

The Board also agreed to waive 2021 membership dues for current members. In other words, 2020 dues will carry over your membership through December 31, 2021.

If conditions improve, our 2021 calendar kicks off with a Board meeting on Jan. 9, followed by a General meeting on Jan 23. Watch email or view updates on our website: capefriends.org.

Send an email with questions or comments to president@capefriends.org.

Information about library operations is on our website and on www.leelibrary.net. Until we meet again – STAY SAFE and READ ON.

Best Regards,

Board of Directors
