

AN EXCELLENT FOCCL JULY GENERAL MEETING!

If you couldn't make it on July 17 to our first in-person General Meeting held at the library since the pandemic, you missed a very informative business meeting with lots of updates. (A separate email with the Minutes will follow later.) It was also nice to see many friendly faces again and to enjoy coffee, tea, snacks and fruit thanks to our Hospitality chair Linda Gumm. During the program that followed the business portion, attendees gave some details about books they have read and recommend to others. Following is a list of the individual books, as well as some series by favorite authors, that were mentioned.
